ADJOURNMENT

Robert's Rules of Order General Guidelines

As outlined in the MBOE By-Laws, Robert's Rules of Order shall govern the proceedings of the Board unless otherwise provided by the by-laws. Following are some general guidelines from Robert's Rules and the By-Laws that should be followed to ensure efficient meetings and the rights of all members, aid decision-making and allow all to be heard.

1. During any discussion, a member must be recognized by the Chair before speaking.
2. A member will not be allowed to speak a second time until all other members wishing to speak have been allowed to do so.
3. Members should refrain from speaking a second time unless they have a new point to make or need to respond to new information.
4. As a general rule during discussion, comments should be directed through the Chair to the whole Board, rather than to other or individual members. All discussion is with the Board as a whole. Questions of the Superintendent or other non-BOE members making presentations should be directed to that individual.
5. Private conversations can be distracting to those speaking and should be limited.
6. During discussion, the Chair should try to provide equal time to those in favor or against a given topic or motion.
7. A majority is more than half of the votes cast, not a majority of the Board. For example: if only 7 members choose to vote, and the result is 4-3 in favor, the motion is adopted. Members who abstain are "refraining from voting".
8. If discussion on a *motion* is lasting a long time, any member can "move the previous question" or "call the question". They must be recognized by the Chair in order to do so. This is not debatable, and a two-thirds vote is required to pass. If two-thirds vote in favor of ending debate, the Board ends all discussion on a motion and then moves to an immediate vote on that motion.
9. Committee reports that recommend action should be submitted in writing. This allows for clear understanding of recommendations.

SUMMARY OF POLICY RECOMMENDATIONS
Presented to the Mansfield Board of Education Policy Committee
March 3, 2020

This memorandum serves as a collective summary of the suggested revisions to Mansfield Board of Education policies, regulations and accompanying documents that we have recommended as a result of the 2019 legislative session, as well as changes based on legal trends or best practices. The bases for our recommended changes to existing policies for each respective series are discussed below.

Fiscal Management

Budget Procedures and Line Item Transfers

This policy has been revised to clarify the process for line item transfers between budgetary categories of the itemized estimate of the board of education's budget.

Code of Conduct Child Nutrition Programs - NEW

In accordance with the requirements of federal and state law, we have developed a model code of conduct relating to the procurement of goods and services in connection with Connecticut's School Nutrition Program.

Personnel

Alcohol, Tobacco and Drug-Free Workplace

The Alcohol, Tobacco and Drug-Free Workplace policy was revised to conform to the changes to the community series smoking policy, and now also prohibits smoking on property owned, leased, contracted for, or utilized by the Board.

Child Abuse, Neglect, Sexual Assault Reporting

We have revised the Child Abuse, Neglect and Sexual Assault Reporting policy for organizational clarity.

Employment and Student Teacher Checks

This policy, formerly titled Employment Checks, has been revised in accordance with Public Act 19-91, which makes various changes to the requirements for conducting criminal background checks. The Act, among other things, now requires schools to conduct national and state criminal background checks for student teachers and requires that all prospective employees explain, in writing, whether they have been convicted of a crime and, if charges are pending, what the charges are and in what court they are pending. The Act further clarifies that fees for criminal background checks for student teachers are waived.

Non-Discrimination

The Non-Discrimination policy and administrative regulations have been revised to clarify that discrimination based on alienage, or citizenship status, is prohibited by law.

Sex Discrimination and Harassment in the Workplace

The Sex Discrimination and Harassment in the Workplace policy and administrative regulations were revised based on Public Acts 19-16 and 19-93 to update the mandatory training requirements. Additionally, the amended policy updates the required notice, which must now be emailed to employees within three months of hire with the subject line "Sexual Harassment Policy." Lastly, the policy updates information related to potential remedies for victims of sexual harassment.

School, Community and Home Relations

Non-Discrimination (Community)

The Non-Discrimination policy and administrative regulations have been revised to clarify that discrimination based on alienage, or citizenship status, is prohibited by law.

Smoking

We have updated the Smoking policy to prohibit smoking on school grounds, as provided by PA 19-13. Previously, the policy only prohibited smoking within indoor facilities.

Students

Bullying Behavior in the Schools

This policy was revised to include reference to the new administrator training required by Section 5 of Public Act 19-166.

Bullying and Safe School Climate Plan

The Bullying and Safe School Climate policy was revised to include reference to the new administrator training required by Section 5 of Public Act 19-166. The Act requires each board, in collaboration with the Connecticut State Department of Education, to post on its website training materials to school administrators regarding the prevention of and intervention in discrimination against and targeted harassment of students based on actual or perceived differentiating characteristics.

Food Allergies and/or Glycogen Storage Disease

This policy was revised in accordance with feedback provided by the Office for Civil Rights. The revisions include adding students with diabetes to the protections provided to students with life-threatening food allergies and glycogen storage disease. The revisions also clarify that students with life-threatening food allergies and diabetes are virtually always students with disabilities and should be referred to a Section 504 team.

Homeless Children and Youth

The Homeless Children and Youth policy and administrative regulations have been revised in accordance with Public Act 19-179 to incorporate changes concerning the hearing and appeal process afforded to school-age homeless children and youth who are denied access to school accommodations, under Connecticut General Statutes Section 10-186. The policy was further revised to clarify the rights of unaccompanied youth.

Non-Discrimination

The Non-Discrimination policy and administrative regulations have been revised to clarify that discrimination based on alienage, or citizenship status, is prohibited by law.

Physical Activity and Student Discipline

This policy was revised based on Public Act 19-173 to include provisions related to the devotion of time to undirected play for elementary students in addition to the twenty minutes of required time for physical exercise. The policy also addresses the prevention of students from participating in the entire time devoted to physical exercise and undirected play as a form of discipline.

Section 504/ADA

We have updated the complaint procedures in the administrative regulations associated with this policy in accordance with feedback provided by the Office for Civil Rights.

Student Discipline

The Student Discipline policy was revised, pursuant to PA 19-91, to narrow the authority of boards to expel students for conduct on school grounds or at a school-sponsored activity to situations in which the conduct either (1) violates a publicized policy of such board *and* is seriously disruptive of the educational process, or (2) endangers persons or property. In addition, the definitions for “electronic nicotine delivery system” and “vapor product” have also been revised.

In accordance with Public Act 19-13, we also revised the policy to clarify that, even though it is no longer unlawful for individuals under the age of 18 to possess tobacco products, possession of tobacco products on school grounds or at school-sponsored activities can subject students to discipline as a violation of board policy.

The expulsion hearing notice was revised to clarify, pursuant to the new law, that a Board may expel a student for conduct on school grounds or at a school-sponsored activity if the conduct either (1) violates a publicized policy of such board *and* is seriously disruptive of the educational process, or (2) endangers persons or property.

Sunscreen Application in School - NEW

We have added a new policy concerning sunscreen application in school, in accordance with Public Act 19-60. Students six (6) years of age and older may now self-apply sunscreen in school prior to outdoor activities, with the signed permission of the parent or guardian. This policy also includes a sample permission form.

Truancy/Student Attendance, Truancy and Chronic Absenteeism

We have revised the Attendance, Truancy and Chronic Absenteeism Policy to include a sample withdrawal form for students age seventeen.

Support Services

Transportation

The Transportation policy for students was revised to clarify that it is not a hazardous condition for a student whose residence abuts a public street, road, or highway to either (1) wait on the private property for the bus to arrive, or (2) exit a school bus on the public street, road, or highway so that the student can access the private property where he or she resides.

Mansfield Board of Education Code of Conduct

Section: FISCAL MANAGEMENT

**CODE OF CONDUCT
GOVERNING THE PROCUREMENT OF
SCHOOL NUTRITION PROGRAM GOODS AND SERVICES**

In compliance with Code of Federal Regulations 2 C.F.R. § 200.318

[Federal law requires non-Federal entities, including school districts, that receive federal funds to develop and implement a written code of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award, and/or administration of Federally funded contracts. This document provides a sample code of conduct that complies with 2 C.F.R. § 200.318 and outlines proper practices for expending Connecticut School Nutrition Program funds with fairness and integrity.]

In accordance with Federal and State regulations, the following Code of Conduct applies to the selection, award, and/or administration of a contract expending Connecticut School Nutrition Program ("School Nutrition Program") funds by any Mansfield Board of Education ("Board") employee or agent.

Article I. Purpose

The purpose of this Code of Conduct is to establish standards of conduct covering real or apparent conflicts of interest and governing the actions of Board employees engaged in the selection, award, and/or administration of contracts expending School Nutrition Program funds on goods and/or services. This Code of Conduct also sets forth discipline that may result from violating these standards.

Article II. Code of Conduct Provisions

In addition to other applicable policies and regulations promulgated by the Board, the Board expects the following conduct of all persons who are engaged in the award and administration of contracts supported by School Nutrition Program funds:

1. No employee, officer, or agent of the Board shall participate in the selection, award and/or administration of a contract supported by School Nutrition Program funds if a conflict of interest, real or apparent, would be involved. Conflicts of interest

arise when one of the following has a financial or other interest in, or a tangible personal benefit from, the firm selected for the award:

- a. The employee, officer, or agent of the Board;
 - b. Any immediate family member of the Board employee, officer, or agent (spouse, brother, sister, parent, child);
 - c. The partner of the Board employee, officer, or agent; or
 - d. An organization that employs or is about to employ one of the above.
2. The Board's employees, officers, or agents shall neither solicit nor accept gratuities, favors, travel packages, incentives or anything of monetary value from contractors, potential contractors, or parties to sub-agreements related to programs funded by the federal government, in whole or in part. [*Optional: 2 C.F.R. § 200.318 (c) (1) permits the Board to set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. For example, the Board could include language such as the following: "In determining whether an item is an impermissible gratuity or of monetary value, the definition of 'gratuity' shall be anything of more than ten dollars in value."*]
3. The Board's employees, officers, or agents shall disclose any actual or potential conflict of interest to the Superintendent of Schools or his/her designee. Thereafter, as required by law, the Board shall disclose in writing any potential conflict of interest to the Connecticut State Department of Education.

Kelly Lyman, Superintendent of Mansfield Schools
4 S Eagleville Road
Storrs, CT 06268

Dear Kelly and Mansfield Board of Education,

It is with regret that after 23 years at Mansfield Middle School, I feel it necessary to submit my letter of retirement effective June 30, 2020. Given this Covid 19 crisis and my age, I feel it is best to retire at this time. I feel that it would be too much of a health risk for me to return to the classroom in the fall.

I want to take a moment to thank the administration and the Mansfield Board of Education for all the opportunities I have been given as a teacher in this district. Working at Mansfield Middle School truly changed my life in countless ways. Throughout my teaching career in Mansfield I was offered so many opportunities to grow as an educator. When I came to Mansfield, I took advantage of joining the German Exchange Program and spent many years taking students to Germany and entertaining the German teachers and students here at our school. I formed many friendships that continue to endure today. In addition to the German Exchange, I was also involved in the China Exchange. The first time I visited China, I traveled as a teacher with the State Department of Education, forging a relationship with our sister school in Jinan. The next visit I traveled with our former principal, Jeff Cryan, 20 students, and my husband to begin our first formal student exchange with China. Not only did these programs change my life, but they also changed the lives of countless numbers of students in more ways than anyone will ever know. Throughout the years I heard from students who related that their lives, and the career choices they made, were directly impacted by these opportunities.

It has been my pleasure to have worked with you these past few years. I will truly miss the staff and the many friendships I have formed during my tenure at Mansfield Middle.

Sincerely,
Sherry Andrews

Superintendent of Schools

Dear Kelly,

I write today to notify you of my retirement at the end of the 2019/2020 school year. I have taught in the Mansfield school system for the past 31 years and have enjoyed teaching these wonderful students and my interactions with my fellow teachers, staff, and administrators very much. As I close out my teaching career I want to thank everyone for making this such an enjoyable time in my life and I wish all of you the very best in the future.

Best Wishes,

Mary Lee Geary
