Subject: Specialty Camp Information – Summer 2019

Welcome to the summer of 2019 specialty art and science camps and programs! Thank you for registering for our great summer programs and camps. The participants will have a great time and learn skills that they will take with them to use throughout the rest of the year.

Please read over the enclosed information about our specialty camp programs. If you have any questions regarding your child's participation in our sport camps, please feel free to call 860-429-3015 or stop by the Mansfield Community Center to speak with any of the Parks & Recreation staff.

We always strive to provide your children with the best experience while attending our summer camps and programs. If there is anything you feel we could do differently to improve any part of the camp, please share it with us. We want the time your children spend with us to be the best it can be!

Sincerely,

ACTIVITIES: The structure of each program varies slightly, however, all camps emphasize time for creative learning activities and exercises, with time for breaks for snack and/or free play.

SNACKS/LUNCHES: Participants are responsible for providing their own food and snacks. Although water will be readily available, it is strongly encouraged that participants bring a full water bottle each day. Those participating in full day camps will have a lunch break during the day. Please send full lunches that do not require refrigeration, and plenty of snacks.

SUN BLOCK LOTIONS: Specialty Camps may take breaks or complete activities outside. Sun Block is strongly suggested for all camps. Caps are also a good idea for all outside activities. Please apply sunblock to your child prior to the camp day. *Staff will not apply sunblock for your child*, although children will be reminded to do so themselves and may be assisted as necessary.

BRINGING SPECIAL ITEMS TO CAMP: Please do not let your children bring expensive or favorite items to camp such as MP3 players, I-pods/Pads, and computer games. Although the camp is well supervised, the department cannot accept responsibility for lost or stolen items.

LABELING ITEMS: We encourage you to label all clothing and other items for easy return in the event that they get left behind or lost.

CLOTHING: Art camps get messy, so please encourage your child to dress in something other than their favorite outfit. Sneakers are helpful for play breaks, but not required.
