Health Information (information is confidential to Camp Staff)

1. Describe any current health conditions requiring medication, treatment, or special restrictions or considerations while at camp.

Authorized camp staff may administer limited medication (epipens, asthma inhalers, or approved extraordinary situations) during the camp day in accordance with town policy. Campers are not allowed to carry their own medications, with the exception of inhalers and epipens. Self-administration of epipens and asthma inhalers require a self-administration of medication form to be completed. Forms available upon request.

2. Please list any camper allergies (food, bee stings, medications, etc.)

3. Does the camper need special assistance or have any physical, sensorial, or developmental limitation? **If yes, a "Special Assistance" form must be filled out 15 days before attending camp.** Please request the special assistance form at the Community Center. 3. Also contact the camp director prior to your child starting camp.

To the best of my knowledge, the above information is up to date and correct.
