

## **Peer Mediation Update**

We are excited for our training sessions for the Peer Mediation Team. Our current Peer Mediators will be leading the sessions with our guidance. They have demonstrated outstanding conflict resolution skills this year.

We will be meeting four mornings in the Spring, 7:55-8:15 AM in Rooms 109/110.

Our Peer Mediation Program continues to be a positive program to support our students. We are committed and excited to seeing it grow further in the upcoming school years. Peers mediating conflicts is a successful alternative to punitive actions. We have been in awe of the results from the mediations.

**Sincerely,**

*The School Counselors*
