You must also complete a **Request for Records** so we can send off for your child(ren) school records and possibly have these available when you have your appointment with the school counselor.

At the time of registration, the counselor will:

- ♦ Talk with the incoming student about their previous school experience, as well as future goals

After the meeting, the school counselor will prepare your student(s) schedule. Your child(ren) will receive their schedule on the first day of school. Following your meeting, the school counselor will have the nurse check the immunizations and medical paperwork.

On **Thursday, August 24, 2017** there will be an Open House from 9:00am-12:00pm in the school cafeteria. This is an opportunity for your child(ren) to meet some of our current students and take a tour of our building. You do not have to make an appointment for this.
