## EXPLORE MANSFIELD'S PARKS!

### Feet, Hooves and Paws — Winter Animal Tracking for People of All Ages

Learn the age old skill of identifying animal tracks. See what animals have been visiting your property and tell what they were doing. We will also learn a little about how animals walk and how that relates to their track patterns. The program will begin inside the Community Center with activities and will follow with a trek outside to see if we can find any tracks. Dress warmly and wear boots suitable for walking in the snow (if there is any!).

- Instructor:** Sue Harrington, Naturalist
- Location:** MCC Community Room
- Date:** Sunday, January 29
- Time:** 1-3 p.m.
- Fee:** Residents: \$9 per person  
Non-Residents: \$19 per person
- Activity #:** (311003-A)

### Are You Interested in Giving Back to the Community?

Do like to build things? Like to be outside? Parks and Recreation is looking for people of all ages who are independent workers interested in building bridges, wildlife observation decks and more in town-owned parks and preserves. Town staff will work with you on a design, getting the necessary permitting. We also have a small fund available for supplies directly related to the project. If you have a project in mind or would like a suggestion, please contact Jennifer Kaufman, Natural Resources and Sustainability Coordinator at KaufmanJS@MansfieldCT.org or 860-429-3005x6204.

## NATURAL AREAS VOLUNTEERS (NAV)

NAV is a volunteer corps sponsored by Mansfield Parks and Recreation, the Parks Advisory Committee. Volunteers attend workdays as their schedules permit, helping with supervised projects such as trail blazing and natural area improvements. If you are interested in participating, please email Jennifer Kaufman, Natural Resources and Sustainability Coordinator at KaufmanJS@MansfieldCT.org.
