

FREE WALK BOOK for New Members of Joshua's Trust

Joshua's Tract Walk Book, a 310-page book which details walks in the greater Windham area, will be offered as a free gift to anyone who joins the conservation group as a new member. Joshua's Trust protects over 4,000 acres of open space in northeastern Connecticut and has well-maintained trails on many of its properties. This comprehensive guide features descriptions of the history, geology, and ecology of the preserves. Whether you're leaf-peeping, letterboxing, birdwatching or picnicking, the Walk Book serves as an excellent companion to those exploring Tract land. The Walk Book sells in stores for \$15. Membership levels in the Trust begin at \$20. Membership forms and Walk Books are available at several locations, including the Mansfield Community Center, the Mansfield Town Clerk's office, the Altnaveigh Inn & Restaurant, Mansfield Supply on Rt. 195, The Homestead on the Tolland Green, and the Audubon Nature Center in Pomfret.
