

The Transportation Security Administration (TSA) has a [new toll-free](tel:855-787-2227) helpline number, 855-787-2227, to provide information for passengers with disabilities and medical conditions and their families before they fly. They recommend calling 72 hours in advance to learn what to expect at security checkpoints. They will also be able to coordinate your security screening ahead of time when they know about your disability. Enjoy your flight!
