Traffic Alert: New Traffic Pattern in Storrs Center

Bolton Road Ext Open to Vehicles; Wilbur Cross Way Temporarily Closed

The construction of Bolton Road Extension and Royce Circle in Storrs Center is now substantially complete, and these two streets are open to vehicles. Motorists wishing to head south on Storrs Road/Route 195 may now use the new, four-way, signalized intersection of Storrs Road and Bolton Road.

To accommodate on-going construction in Storrs Center, Wilbur Cross Way will be temporarily closed. This road will eventually be a two-way street connecting Royce Circle and Charles Smith Way (formerly referred to as the Post Office Road).

If you have any questions regarding this new traffic pattern and temporary road closure, please contact the Town of Mansfield Public Works Office at 860.429.3676 or email StorrsCenterInfo@mansfieldct.org.
