

February 26, 2009

To: All property owners in the proposed Mansfield 4-Corners Service District
From: Mansfield's 4-Corners Advisory Committee

Dear Property Owner:

The Mansfield 4-Corners Advisory Committee was established by the Town Council late in 2008 to assist the Town Staff and Council by providing guidance in moving the proposed 4-Corners sewer project to completion. The committee has met several times over the past 3 months. The committee's two major efforts have been directed towards 1) compiling data to inform property owners about the various components of the project and 2) to explore the potential to obtain a public water supply that could be installed concurrently with the sewer lines.

We are now prepared to provide you with an update on the project and to solicit your input in the planning and implementation through a property owner's meeting.
