

HISTORIC DISTRICT COMMISSION MEETING

Minutes from Meeting of Tuesday, March 13, 2007

The Meeting was called to order at 8:05 p.m. in Conference Room C of the Mansfield Town Hall

Attending: Members: Gail Bruhn, Isobel Atwood, Anita Bacon and Jason McGarry

Discussion centered around a letter received from Zoning Agent, Curt Hirsch related to the Crain House at 928 Storrs Road, Spring Hill Historic District. Curt requested information on any Commission approval which had been granted to Ms. Joanne Oliver, the current owner. The Assessors records seem to indicate that an approval was granted on 6/27/06, but Curt could not find any record confirming that such an application and approval from the Historic District Commission had been granted.

G. Bruhn told Curt, in a subsequent phone conversation, that the Committee's efforts to contact Ms. Oliver had failed, and that she had never come before the Commission. Curt said that he would follow up on the matter, in light of the fact that a number of exterior alterations have been made to the house.

G. Bruhn offered to contact Curt to see where the issue stood before the next meeting.

Respectively Submitted,

Gail Bruhn
Chairman
