

Private Swim Lessons

Private Lessons and Semi Private Lessons (max 2 individuals) are available for both children and adults. All lessons are instructed by one of our qualified swim lesson instructors and are one half hour in length. You will be contacted by an instructor in approximately 2 weeks regarding the status of your request and to set up your initial lesson. Lessons at the requested time are not guaranteed and may result in scheduling alternate times with an instructor. We ask that you please list a few times that would work with your schedule.

Payment for all lessons is due prior to your scheduled appointment time. Please stop at the reception desk to check in for your lesson and make any necessary payments.
