Proposal Submission Requirements

Quotes will be accepted in electronic format only. If there are any additional costs for shipping or otherwise, it should be listed on the quote. Vendors may use a format of their own choosing for the quote. The quote can be submitted to Rich Roberge. Questions about the process should be directed to Rich Roberge (contact information at the top of the RFQ).

Selection Process

Pricing is the driving factor in the selection process, however it is not the only factor as the District will consider the vendor's ability to fulfill this product request. The District reserves the right to reject any or all submissions, to select an applicant in a manner that is advantageous to the District, and to waive all formalities in the bidding. The vendor is responsible for submitting a quote for consideration in a timely manner. The District reserves the right to request additional information from the vendor and if necessary for additional information the District can extend the due date.

The District does not expressly state or imply any obligation to reimburse responding applicants for any expenses incurred in preparing submissions in response to this request. The selected firm is expected to meet any relevant state and federal legal requirements. The District is an equal opportunity employer.
