Summary

The Mansfield Public School District is seeking an EqualLogic SAN for use in our elementary and middle school data network.

Core Specifications

The quote must include the following in new condition:

- Quantity 1: EqualLogic SAN 6210E (24x 2TB 7.2K drives; 48TB raw capacity)
- Remote Installation Support (no onsite required; only covers initial configuration as provided per standard EqualLogic purchase)
- Warranty Support (4h7d24h7y)

The Mansfield Public School District reserves the right to potentially modify the above quantities depending on pricing and available funding.

Installation and pre-configuration services are specified in the bulleted description above.

Proposal Submission Requirements

Quotes will be accepted in electronic format only. If there are any additional costs for shipping or otherwise, it should be listed on the quote. Vendors may use a format of their own choosing for the quote. The quote can be submitted at the email address identified earlier in this RFQ. Questions about the process should be directed to the same email address as well.

Selection Process

Pricing is the driving factor in the selection process, however it is not the only factor as the District will consider the vendor's ability to fulfill this product request. The District reserves the right to select an applicant in a manner that is advantageous to the District. The vendor is responsible for submitting a quote for consideration in a timely manner. If a sufficient number of proposals are not received, the District reserves the right to extend the search process. The District reserves the right to extend the search process to request additional information from vendors.

The District does not expressly state or imply any obligation to reimburse responding applicants for any expenses incurred in preparing submissions in response to this request. The selected firm is expected to meet any relevant state and federal legal requirements. The District is an equal opportunity employer.
