Summary

Mansfield Public School District is seeking an Internet Service Provider to meet use needs for Internet bandwidth.

Core Specifications

The quote must include the following or the equivalent:

- Internet Connection servicing burstable to 1 Gbps (greater is allowable) with a usage not to typically exceed 1 Gbps.

The District reserves the right to potentially modify the above quantities depending on pricing and available funding.

Selection Process

Pricing is the driving factor in the selection process, however it is not the only factor as the District will consider the vendor's ability to fulfill this product request. The District reserves the right to reject any or all submissions, to select an applicant in a manner that is advantageous to the District, and to waive all formalities in the bidding. The deadline is March 24, 2019. The District reserves the right to request additional information from vendors.

The District does not expressly state or imply any obligation to reimburse responding applicants for any expenses incurred in preparing submissions in response to this request. The selected firm is expected to meet any relevant state and federal legal requirements. The District is an equal opportunity employer. The District applies for USF eRate Funding as part of budgeting for this expense (Form 470 is available via USF eRate).
