

NOTIFICATION TO UNIVERSITY OF CONNECTICUT

For Mansfield Projects within designated Aquifer Protection Areas

Section 8-3i of the State Statutes requires applicants to provide to all water companies written notice of an application, petition, request or plan if the proposed project is located within a designated aquifer protection area. **The applicant must mail such notice within seven (7) days of the date of the application, by certified mail, return receipt requested.** To meet this requirement, this form shall be used by applicants in Mansfield for projects within designated Aquifer Protection Areas in Mansfield. To determine if a project is within the aquifer protection area, please consult the Zoning Map. **Failure of an applicant to comply with this statutory requirement may be grounds for a claim of procedural error and a successful legal challenge of the decision rendered on the application.**
